

January 2004 Newsletter www.holliswomansclub.org

By Kaaren Eastman (President) 465-6277 NHEastman@aol.com

Now that the holidays are over, we can finally settle back into our regular routines and also establish new ones.

Have you ever wondered what we do in our various activity groups? Perhaps the best way to find out is to visit one! Whether you are an 'member from way back', a current member, or perhaps considering becoming a member of the Hollis Woman's Club come out and see what we are up to! More information is available about each group on the web or by calling me (Kaaren) both the web-address and my phone are at the top of this page. Just because you visit a group once or twice, doesn't mean you have to join it, and on the other hand, you are welcome to join a group even if you know you can't make all the meetings.

Book Group: Currently reading: the five people you meet in heaven by Mitch Albom and will meet for discussion on Friday, Feb. 6th at Barnes and Noble at 10 AM.

Craft Group: Meet together and make an interesting craft project in one meeting! Next meeting Feb. 28. Call Cindy (465-2787) if interested in attending so that supplies can be ordered.

Projects and Pleasantries: Got a project or craft you've been working on, or perhaps haven't had the time to work on? Enjoy the company of others as you work on your own project. Next meetings Feb. 12 & 25. Call Julie (465-7879) for location.

Tuesday & Wednesday Luncheon 'Gourmet' These groups each meet once a month. Participants are divided into groups and each group is responsible for preparing lunch for one luncheon per year, which is usually held at a member's home. Call Freda (465-6562) for info on Tuesday's group (3rd Tues. of the month) or Linda

(465-2184) for Wednesday's group (3rd Wed. of the month).

Four-Seasons Supper Club: Meet four times a year (on a Saturday night) for couples or singles, it provides an opportunity to get to know others in a delightful dining experience. Held at member's homes, everyone gets to contribute to a menu that has been preset by you and the committee. Next meeting Feb. 7th, April 3rd and May 16th. Call Kaaren (465-6277) for more info.

Dining Out Group: Want to "do lunch"? This group meets monthly at area restaurants to relax and chat while others do the 'work'. Call Julie (465-7879) for the next date.

Cross-Country Skiing and Walking Group: Currently waiting for appropriate ski conditions (call to have your name added to the call list).

JANUARY GENERAL MEETING: We 'went to the dogs' recently at our last meeting. Dog expert and trainer Sarah Holzer of the Pawsitive Dog Training Center in Boston shared her knowledge and expertise as well as three 'live' examples with us. Fascinating and funny, we were sorry to see our time with her and her pooches end.

IT'S THAT TIME OF YEAR! We are on the recruitment trail! And we need YOU! Oh, NO, this is not the part that you SKIM over saying to yourself...certainly they mean HER, not ME! We *actually* mean you!!! We have several committees that need filling each year. Thanks to many of you, we have filled several of the positions, but we are still in need ONE person for the nominating committee. Also, please give some thoughtful consideration to becoming a board member next year. The positions vary in responsibility and time commitment.

Descriptions of these various positions are described in your handbook, or call me for further information. Volunteering makes everyone's job easier.

FEBRUARY GENERAL MEETING:

Join us as we learn about the Hollis Community Garden from Rich Kalin. Social hour begins at 11, meeting at 12. Please bring a friend.

SKI MOUNT SUNAPEE! We are skiing Ladies' Day at Sunapee both Feb 10 and March 9th. Meet at 8am in Marketplace parking lot. Please call Susan at 465-3607 if you will be going so we can arrange the carpool.

ENTERTAINMENT BOOKS: Books are still available! Please check out the web site www.holliswomansclub.org for details on buying the local book from Liz Barbour (465-3607) or buying a book from any part of the country.

KNOW ANYONE FEELING A BIT

'UNDER-THE-WEATHER'? By being in member in the Hollis Woman's Club, we are all a part of one big family. But although we are all 'sisters' we don't always know what is going on in each other's lives.

Please let Lydia-*sunshine committee*- (465-2495) or me know when you find out that one of our 'sisters' is ill or has family crisis. We would like to show our concern through a thoughtful card, or perhaps helping in other ways. Please let us know so we can help or show our concern.
