

COVID-19 Safety Practices
August 19, 2020

The Hollis Woman's Club is compliant with the NH COVID guidelines and will observe the following safety practices at meetings & events:

- ZOOM meetings
- Outdoor meetings as often as possible – no tables
- Facemasks strongly suggested
- 6' social distancing required
- No Hospitality - Bring chair & beverage
- No nametags but greeter will record attendees with check list
- Hand sanitizer available

If inside:

- Face masks required
- No Hospitality - BYOB & chair
- No nametags but greeter at door with check list of members
- 6' social distancing – with use of arrows and one way traffic patterns
- Remove furniture and sit in large circle
- Acrylic wall spacers to keep distance in close passages
- Tables used if needed for program & spread further apart
- 4 members per table
- Hand sanitizer on every member & serving table
- Tablecloths used on all tables
- Chairs & surfaces disinfected prior to/after use – Plz bring your chair
- 2 members in kitchen at a time
- Ceiling fans on
- Exterior doors will be open for ventilation and outdoor space to talk

If Hospitality

- Refreshment tables further apart
- Acrylic sneeze guard over food
- Coffee station server. Individualized cream & sugars
- Food items will be individualized selections i.e. muffins (WHEN POSSIBLE)
- Food station server so utensils aren't shared
- Hostesses wear masks when cooking at home and cover food items
